analysis alc: 15.0 | ph: 3.57 | rs: 1.9 | ta: 6.2

type Red

producer Kaapzicht Wine Estate

style Dry

winemaker Danie Steytler

wine of Stellenbosch

### tasting notes

“Exuberance” is the word here: from the deep - ruby hues that dominate this mulberry-coloured blend, through the nose and palate, each in his own way, the hallmarks of a great wine. The nose is cedar and sweet vanilla, followed by a rush of ripe, dark berry-fruit in profusion. The palate shows balance and harmony within its very elegant structure. A beautifully proportioned wine; tightly and neatly packed to provide great drinking pleasure.

### blend information

50% Cabernet Sauvignon, 40% Pinotage, 10% Merlot

### in the cellar

Three cultivars made separately and matured separately in new French oak barrels from three different coopers for 20 months before being blended and bottled on the estate.
